Federal Student Aid

Federal Direct Unsubsidized Loans

Unsubsidized Loans are low-interest federal student loans for eligible students to help cover the cost of higher education. The U.S. Department of Education offers eligible graduate students at participating schools Direct Unsubsidized Loans.

Direct Unsubsidized Loans are available to graduate students; there is no requirement to demonstrate financial need. SFS will determine the amount the student may borrow based on cost of attendance and other financial aid received. For a Direct Unsubsidized Loan, the student is responsible for paying the interest during all periods. If the student chooses to pay interest while in school and during grace periods and deferment or forbearance periods, interest will accrue and be capitalized (that is, your interest will be added to the principal amount of the loan).

Yearly Amounts

- Graduate students: \$20,500

Aggregate Loan Borrowing Limits

- Graduate students: \$138,500

Accept or Decline Loans

Los Angeles Pacific University has a "Passive Acceptance" policy when it comes to accepting student loans. All financial aid awards will be accepted in full at the time of awarding. If a student does not wish to accept all or a portion of the financial aid that has been awarded, the

student must notify Student Financial Services "in writing." An email will be considered an appropriate form of communication.

Repayment

Generally, repayment of Federal Direct Subsidized and Unsubsidized Loans begins six months after the borrower drops below half-time enrollment status, withdraws, or graduates. This six-month period of time is called the grace period. Borrowers receive just one six-month grace period. If a borrower has used the six-month grace period previously or has consolidated the previous loans, those loans may go into repayment immediately.

Loan Exit Requirements

The federal government requires all student borrowers of Federal Direct Loans to complete the loan exit counseling for Federal Direct Loans. Borrowers must complete a loan exit when they drop below half-time enrollment status, withdraw, or graduate.

Federal Direct Grad PLUS Loans

The Federal Direct Grad PLUS Loan is a low-interest loan borrowed directly from the U.S. government, that graduate students can apply for to help pay for college. The student can borrow any amount up to the student's cost of attendance, minus any other aid the student is receiving.

How to Apply for a Grad PLUS Loan

1. Complete the Grad PLUS Loan Worksheet. Application at [studentloans.gov](https://www.studentloans.gov) (<https://www.studentloans.gov>).
2. New borrowers must complete the Grad PLUS Master Promissory Note and the Grad PLUS Entrance Counseling at [studentloans.gov](https://www.studentloans.gov) (<https://www.studentloans.gov>).

Repayment

Repayment starts after you receive the full amount of your loan, but payments are deferred while students are enrolled in school at least half time. That deferral ends six months after a student's enrollment drops below half time. No payments are required while a student qualifies for an in-school deferment, but the first monthly payment is due 45 days after the deferral ends.

Private Education Loans

Private education loans, also known as alternative loans, are loans issued by a lender such as a bank or credit union. These loans are primarily used to supplement federal programs when federal aid and scholarships do not meet the cost of attendance. Private loans often have variable interest rates, require a credit check and a co-signer, and lack many of the benefits of federal student loans.

Federal Direct Loans generally have more favorable interest rates and repayment options than private loans. We recommend that you utilize all federal aid eligibility before turning to private loans.

LAPU will process a private loan from any lending institution. LAPU does not recommend any specific lender or lenders. However, LAPU has compiled a list of lenders (<https://choice.fastproducts.org/FastChoice/home/4278800/>) used by LAPU students in the past three years. The compiled list is offered as a tool to assist students as they consider their private lending options. Employees responsible for processing loans adhere to a strict Loan Code of Conduct (shown below).

Outside Aid

All students are required to report all resources known or expected to be available to them during the period for which they seek financial

assistance. These resources include, but are not limited to scholarships, fellowships, stipends, and company tuition reimbursement. Failure to report these resources can result in delays in receiving aid funds for which the student may be eligible, cancellation of the award, or even the return of funds already received.

Should any new resources become available, the student is required to report this information to the Office of Student Financial Services. Withholding or concealing information about these resources may constitute fraud, as the student may be receiving financial aid to which he or she is not entitled.

Disbursements and Refund Checks

Once the student is admitted into an eligible program and the financial aid file is complete, all financial aid usually disburses into the student's student account between Week 4 and Week 8 of the session or later, depending upon when all documentation is received. If the disbursement creates a credit balance, a refund check will automatically be processed. The refund check should arrive to the address the student has on file within 7 to 10 days after the disbursement is made.

The student should keep in mind that any refund check that is received is intended for education-related expenses. Please be sure to monitor your Federal Student Loan borrowing at nsls.ed.gov (<https://nsls.ed.gov/>). There are aggregate limits of how much you can borrow, and we don't want you to run short of funds. Please borrow wisely and be careful how you manage your refund checks.

Over-Awards

The Office of Student Financial Services at Los Angeles Pacific University is required to reduce aid packages because of over-awards. In many cases, the over-award could have been prevented through the timely reporting of additional resources to the Office of Student Financial Services. Timely reporting of all outside resources will help prevent frustration and inconvenience resulting from aid adjustments required to resolve an over-award.

Stacking Financial Aid Policy

Federal and state regulations restrict how much financial aid a learner can receive. The following policies are provided in an effort to help prevent any confusion or frustration that may result from an award being reduced or eliminated.

- **Cost of Attendance:** Financial aid cannot stack above COA. Exceptions: VA Benefits
- **APU Staff Benefit and LAPU Tuition Assistance:** Tuition benefit cannot stack above tuition.

Financial Aid Policies

Please be advised that funding from all of the sources listed is not guaranteed. All financial aid is subject to the continued availability of federal, state, institutional, and private funding. Budget limitations may reduce or eliminate any of the awards described without notice.

Deadlines

Apply early and return all requested documents before the session begins. Completing the application process early helps ensure a student's eligibility for the most financial aid possible. The Office of Student Financial Services will do its best to quickly and accurately process a student's application for financial aid. However, the ultimate responsibility for accurately completing the FAFSA, submitting completed documents,

and finalizing the loan application process in a timely manner is up to the student. It is advised that the student respond to all inquiries from the financial aid office in a timely manner. Should a student's financial aid (including loans) not process by the last date of enrollment in that session, the student will be responsible for any owing balance that remains on their student account.

Admissions File

To be eligible for financial aid within a given session, the student must be fully admitted to the university. A student who does not complete his or her admissions file by the student's last date of enrollment will not be eligible for financial aid for that session.

Completion of the Free Application for Federal Student Aid (FAFSA)

The FAFSA must be accurately completed and electronically received from the federal government by the Office of Student Financial Services in enough time to process prior to the student's last date of enrollment. For most students, this is at least two weeks prior to the student's last date of enrollment.

Enrollment Status

Financial aid award amounts are based on at least half-time enrollment. Enrollment will be verified after the add-drop date of each session. Students must be enrolled at least half-time for the semester in order to be eligible for loans.

- 6 credits = Full-time
- 3 credits = Half-time

Equitable Treatment

Los Angeles Pacific University does not discriminate on the basis of race, color, national origin, sex, age, disability, or status as a veteran in any of its policies, practices, or procedures. Appeal procedures exist for anyone who feels that a violation of the above has occurred. Contact the director of student financial services for further information.

Keeping in Touch

Los Angeles Pacific University students must notify the Office of Student Financial Services in writing regarding changes in financial situation, marriage, loss of a job, withdrawal from school, change in credits, anticipated change of program, or change of address.

Release of Records

By applying for financial aid, a student grants that the Office of Student Financial Services at Los Angeles Pacific University has the right to release the student's grades and enrollment records to scholarship, state, federal, and loan agencies in accordance with the rules governing the Family Rights and Privacy Act (FERPA).

The rules governing FERPA also prevents the staff in the Office of Student Financial Services to discuss a student's student account or financial aid status with anyone but the student unless permission is granted by the student. If a student wants to grant permission to a spouse, parent or other person, a FERPA form must be completed and submitted (even if another FERPA form has been submitted for another department at LAPU). The FERPA form is located in Student Services (https://studentservices.lapu.edu/ICS/Registrar/Forms_and_Petitions.jnz?portlet=EX_FormFlow_-
