FINANCIAL INFORMATION

SAP

Satisfactory Academic Progress (SAP)

Students who wish to receive financial aid must be in good academic standing and make satisfactory academic progress toward a degree or certificate in addition to meeting other eligibility criteria.

Students are evaluated at the end of each semester (fall, spring, and summer). The following minimum academic standards must be met:

Qualitative Measure (GPA Requirement)

Students must maintain a minimum cumulative local grade-point average (GPA) of at least 3.0 to be eligible for federal, state, and institutional funds.

Quantitative Measure (Pace Requirement)

Students are expected to complete a minimum of 67 percent of credits in which they enroll from the beginning of their program. The policy applies to cumulative credits only. Thus, a student who successfully completes 18 credits without withdrawing from any classes, and then enrolls in 6 credits but withdraws from all credits would still make satisfactory progress. The student would have completed 18 out of 24 total credits (18/24 total credits = 75 percent), which is greater than 67 percent.

Time Limit for Receiving Federal Financial Aid (Maximum Time Frame)

Federal financial aid for all programs cannot exceed 150 percent of the total credits in the program, including credits that result from transfer credits and repeated courses. Students will not be eligible to receive aid after completing the amount of credits listed below:

Program Type	Credits
Master of Arts in Organizational Leadership	45
Master of Arts in Psychology	54
Master of Business Administration	54
Master of Public Administration	54
Master of Public Health	63

Grades

The only grades that meet satisfactory academic progress completion standards are grades for which credit is awarded; A, B, C, D, P, and CR (credit). Withdrawal and incomplete grades are not passing grades. Challenge exams and audited courses are not considered.

Transfer Credits

Transfer credits that have been officially accepted to complete program requirements will count towards the quantitative (pace requirement) measurement of SAP but not towards the qualitative (GPA requirement) measurement of SAP.

New, Changed, or Added Programs

If a student changes or adds programs, it will not reset the current qualitative (GPA) or quantitative (pace) measures of SAP. Cumulative GPA and completion rate will be used for all programs in which the student enrolls at Los Angeles Pacific University. If the student changes or adds a program, the maximum time frame will be reset from the date of initial enrollment in the new degree program.

Repeated Courses

If a student repeats a failed or a previously passed class, it will replace the grade to recalculate into the new cumulative GPA. The credits will still count toward the completion rate and maximum time frame. Students who pass a course (A-D) and choose to repeat it for a higher grade may receive financial aid for only one repetition (a total of two attempts) for that course. Students may receive financial aid for a failed class (F) that they repeat until they pass.

Note: A D grade is considered a passing grade by the U.S. Department of Education.

Financial Aid SAP Statuses

Students who fail to maintain SAP for the first time will be placed on Financial Aid Warning and will be given one semesters of financial aid eligibility to correct their SAP deficiencies.If the student does not make up the deficiencies within one semester, they will be placed on Financial Aid Suspension and will be ineligible for all federal and state, and most institutional, financial aid. The student does have the opportunity to appeal this decision. If the appeal is approved, they will be placed on Financial Aid Probation.

Appeals

Students may appeal for reinstatement of financial aid if they, a spouse, or dependent children have experienced illness that prevented class attendance for an extended period of time, they have experienced a death in the immediate family (parents, siblings, spouse, or dependent children), or they have experienced some extraordinary situation that prevented them from meeting the minimum standards. Such a situation must be exceptional and nonrecurring in nature. The appeal for reinstatement must explain the cause of the academic difficulty and how the situation has been resolved.

A SAP Appeal form is available at Student Services (https://studentservices.lapu.edu/ICS/Registrar/Forms_and_Petitions.jnz). A student may submit a SAP Appeal Form explaining why he or she failed to perform and what changes he or she plans to make to return to a status of SAP eligibility. In addition to the SAP Appeal Form, students must contact their Success Coach to complete a SAP Academic Plan. Once completed, your Success Coach will submit the completed SAP Suspension Appeal, Academic Plan and their endorsement to the SAP Committee for review.

Regaining Eligibility

Students regain financial aid eligibility when they meet all three measures of progress for SAP. It is possible for students to be placed on a warning status multiple times in their academic career.
