

STUDENT CODE OF CONDUCT

LAPU is committed to fostering a campus environment that is conducive to genuine learning and personal/spiritual development. The student conduct program within the Office of Student Success is committed to an educational and developmental process that balances the interests of individual students with the interests of the LAPU community.

A community exists on the basis of shared values and principles. At the University, student members of the community are expected to uphold and abide by certain standards of conduct that form the basis of the Student Code of Conduct. These standards are embodied within a set of core values that include integrity, community, respect, and responsibility.

Each member of the LAPU community bears responsibility for their conduct. When members of the community fail to exemplify these four values by violating the rules campus conduct proceedings, including sanctions, are used to assert and uphold these community expectations. While development is always the goal, when a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.
