

REPEATED COURSES

Students may repeat courses at LAPU. All grades will remain on record but only the most recent grade will be calculated into the student's grade point average (GPA). The credits will be counted only once, which may impact financial aid. Students may not repeat a course more than twice at LAPU. The most recent graded course will be counted in the GPA calculation if taken at LAPU.

If a course is repeated at another institution, the credits of the repeated class will be transferred (providing the class meets the guidelines for transfer, see Transfer Work in the undergraduate (<https://catalog.lapu.edu/undergrad/admission/#transferworktext>) or graduate (<https://catalog.lapu.edu/grad/admission/#transferworktext>) catalog); the original grade in the LAPU class will remain on the record but neither grade will be calculated into the student's GPA.
