

CONCENTRATION IN APPLIED PASTORAL COUNSELING

The Applied Pastoral Counseling concentration provides the fundamentals to obtain ministry-related positions in the helping industry. Additionally, this is a progressive step for those who are considering achieving their master's in counseling or psychology to obtain licensure, but desire a more Christian concentration. This concentration also is progressive for those seeking a master's in divinity or interested in chaplaincy. Potential employment opportunities may be found in lay counseling ministries and Christian service organizations.
